Why choose **Ballincollig**?

Cork with a population in excess of 540,000 includes the Republic of Ireland's second largest city and is the premier commercial, retail, administrative and educational centre in the south.

It has a strong infrastructure, well educated work force and is easily accessed through a principle port and an international airport. Cork railway station offers daily services to all major cities throughout the country and hourly trains to Dublin.

There are approx 150 overseas companies employing approx. 35,000 people in Cork City and County. Major employers in Cork include Apple, Dell EMC, VM Ware, Pfizer and Boston Scientific. Cork is a modern University City with UCC having a student population of 21,800 people and CIT with a student population of 10,500. This ensures a ready supply of talent and skills across a range of sectors including information and communications technology, pharmachem, biopharma and services industry. Cork city is also home to the Tyndall National Institute, Ireland's largest Information and Communication Technology (ICT) Research Centre.

Ballincollig located 9 kilometres to the west of the city is the fastest growing Urban area in Ireland and has a population in the region of 18,000 in the immediate environs with significant employers including Dell EMC, VM Ware, Boston Scientific and Apple all located within this western quadrant of Cork city centre, which Ballincollig forms part of.

Westfield Office Quarter forms part of the overall Ballincollig Town Centre Development, a 90 acre development featuring shopping centre, town centre retailing, own door office and modern business units, a separate office campus called Barracks Square, medical and leisure facilities and large scale urban and town centre styled residential accommodation. Westfield Office Quarter is located at the intersection of Old Fort Road and Main Street adjacent to Ballincollig Shopping Centre.
