THE BUILDING

The available space is made up of 20,000 sqft on the first floor of Building 5200 in Cork's premier business park.

The regular shaped floor plans allow companies seeking a high-quality office environment to customise their space to meet the needs of their employees and business.

The Cat A spec consists of concrete frame construction with raised access floors under a steel frame roof. The building is maintained with a new air conditioning unit and perimeter oil fired radiators.

THE BUSINESS PARK

Cork Airport Business Park is the premier office location in the Cork region and is within walking distance of the Airport terminal buildings. The park provides approximately 70,000 sqm (750,000 sqft) of modern third generation office accommodation laid out in a low density campus style landscaped environment. There is an excellent global business community within the Park and occupiers include Amazon, Intel, IBM, Poppulo, Aviva and Alter Domus.

Cork Airport Business Park itself is maintained to the highest of standards and offers 24-hour security. The park is the ideal location for domestic and international companies looking to set up and grow in the southwest of Ireland. It is made for business with it's proximity to Cork Airport, an award-winning on-site hotel, and access to the Cork Metropolitan Fibre Network.

Cork Airport Business Park is located immediately adjacent to Cork International Airport and approximately 6km south of Cork city centre. The park is accessed from the N27 South Link Road/Kinsale Road connecting the airport and the city centre. The park also benefits from proximity to the N40 South Ring Road providing direct access to the Dublin M8 and Waterford N25 Roads. The park is conveniently located next Bus Eireann bus stop with service to Kent Rail Station, City Centre and Kinsale

Cork City Centre
