ABOUT SHANNON

Shannon is recognised as one of Ireland's premier employment locations. It is situated 20km northwest of Limerick and 80km south of Galway. Shannon's strategic importance is highlighted in its designation as part of the Limerick/Shannon Gateway, and as a focal point of future economic development of the Mid-West Region. Shannon occupies a strategic position along the Atlantic corridor and has excellent road connectivity to the gateway university cities of Limerick, Cork and Galway – ensuring a pipeline of talented future employees.

The area accommodates a range of global corporations and smaller vibrant businesses with notable employers across the Aviation, Life Sciences, Finance, Logistics, Information and Communication Technology and Business Services sectors.

The Shannon Free Zone area (SFZ) inclusive of Westpark now comprises an approx. 259 hectares (640 acres) industrial area where more than 8,000 people are employed in over 160 companies. - These companies include many premier multinational firms such as Intel and Jaguar Land Rover - Shannon is accredited as the location of the largest concentration of North American companies in Ireland outside of Dublin.

The connectivity provided by Shannon International Airport to the Shannon Free Zone area is a primary competitive advantage to the accessing of global markets and facilitate global business. This is testament to the multinational dimension of occupier and commercial business attracted to the Shannon Free Zone Area.
